PRINCIPAL’S MESSAGE

Principal’s Report
I hope everyone had an enjoyable time during the school holiday period. I’d like to thank Mrs Melinda Dalli for leading the school and the teachers supporting her at the end of Term 3 and the beginning of Term 4 while I was overseas. Much of my time was spent on a bicycle through southern France which tested my strength, determination and achievement of high levels of satisfaction that I was still alive at the end of each bicycling day! As always the school term calendar is already filling very fast. For your convenience there is a Term 4 planner calendar attached to the newsletter. You will notice that assemblies will be held each
fortnight (even weeks) and also the school newsletter each fortnight on a Tuesday. There have been a number of activities organised this term that require payment for example swimming, Dance2bfit, Canberra overnight excursion, please remember that if you need extra time with payment please make an appointment to see me so that alternative payment arrangements can be made.

This Thursday, 16 October, I will be meeting with the Wollongong North Network of Principals to further discuss School Planning 2015 – 2017.

Michelle Sotiros
Relieving Principal

Dear Parents,

Life Education NSW is a not-for-profit community-based organisation that relies heavily on the raising of funds within the community to assist in meeting the shortfall left after receiving minimal assistance from Government funding.

The sale of Harold merchandise to the children whilst the program is visiting each school supports the fundraising activities of local committees and all proceeds support Life Education within each local area. These products help to remind children about the messages delivered to them during their Life Education session and have either a picture of Harold or the Life Education logo on them.

The educator will provide the opportunity for children to purchase these products during the school visit. Please provide the correct money in an envelope with the item written on the face of the envelope along with your child’s name and class. This allows the educator to process orders efficiently and accurately. Orders will be returned by the conclusion of the visit.
