PRINCIPALS REPORT

Dear Parents and Caregivers

Exciting news!

Get out your dancing shoes! Tarrawanna Public School will be holding a disco on Thursday, 3 April. Mr Roger Trotter has kindly offered to be the DJ for the night. He will be liaising with the P & C Fundraising Committee to organise an evening of fun activities that will have our hall “stomping-and-a-rocking”. Show your support by participating in this great event. An information note will sent home soon with more details.

This week, Tarrawanna Public School celebrates Harmony Day on Friday, 21 March. Students are permitted to wear orange on this day to acknowledge the cultural diversity that enriches
our nation. Our fabulous teachers have some creative activities organised for the afternoon.

Week 8 KP

Ride to School Day

Ride to School Day is on Wednesday, 19 March. Secret Spotters will be watching out for students riding safely to school with their helmets and bringing their bikes into the school grounds in a responsible manner.

Important Bike Safety Information

Students are reminded whenever they ride their bike to:
- Wear a helmet that is fitted correctly;
- Get off the bike to cross the road;
- Share the footpath with pedestrians;
- And when crossing the road remember to STOP, LOOK, LISTEN AND THINK!

Cross Country Day, 26 March

Mrs Privett-Nelson and Mrs Pratt need parent helpers to assist with the School Cross Country (8-13 year olds) and the Junior School run. This is a great way to join in a school event and watch your child participate and have fun.

The P & C will be organising a sausage sizzle for our School Cross Country on the 26 March as part of their fundraising. Funds raised will be supporting purchases for technology in our school. Families will be asked to pre-order for the day to ensure sufficient catering.

Corrimal High School - Orientation Night
6:00 – 7:30pm

Year 6 transition to Year 7 for 2015.

Corrimal High School will be holding their Orientation Night on Tuesday, 25 March. The evening begins at 6:00pm at the school hall for welcome and introductions, after which parents and students will be conducted around the school in small groups. This is a great opportunity to meet with teachers and see the quality teaching and learning programs available.

OTHER INFORMATION:

CONGRATULATIONS to Keeley and Cassandra for being selected to play in the Brokers Netball Team.

UNIFORM SHOP – Second Hand uniforms needed.

Many parents are asking for second-hand uniforms. If your child has grown out of their uniforms, please donate them to the uniform shop. You can leave them in the office or hand them straight to the shop on Fridays. Thank You.

Parenting for Success

If you have ever wondered…..
How can I best help my child to thrive in an increasingly complex and challenging world? Or
How can I help them avoid coping strategies that are harmful or which stop them reaching their full potential?

In this FREE realistic and practical presentation about parenting younger children, Carol will talk about how children learn to cope in times of stress and how parents can use this knowledge to help kids grow into resourceful, confident adults.

Development of effective strategies that build children’s self-esteem, confidence, effective problem-solving skills and positive communication between a parent and their child are key protective factors that reduce the likelihood of young people becoming involved in risk-taking behaviours, such as substance abuse. These early years lay important foundations for building blocks for later life.

Carol Boland B.A. (Hons), M.Clin.Psych, MAPS

Carol Boland is a clinical psychologist who has worked with parents, children and adolescents for over twenty-five years. Carol says that many of today’s parents face a range of daunting challenges that past generations rarely if ever experienced and that much of the knowledge she has gained about raising successful children has come from the parents with whom she has worked.

A past President of the NSW Family Therapy Association and now in private practice, Carol also specialises in consultation to government and non-government agencies and for private practitioners. She is also a Senior Lecturer in Child and Family Assessment and Therapy on the postgraduate programs at Macquarie University and has lectured in the UK and in South Africa. She writes and presents on issues relating to helping families thrive.
