SCHOOL BANKING NEWS
The Commonwealth Bank is committed in
helping young people understand the importance
of saving for the future through their
School Banking program. So, as an added
incentive to help keep our students active with
their saving, they are running a fantastic
promotion.

This year they have introduced the Lost City of
Savings. In Term 2, the Bank is bringing the
good news that the Dollarmites have found
sunken treasure in the underwater city and they
want to share it with our students in the form of
some amazing prizes.

To be in the running, students simply need to
make three or more School Banking deposits
during Term 2, regardless of the value. They will
then be automatically entered into the
competition to win some fantastic prizes.
